## SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

**The Missouri Department of Transportation has determined that only one source can provide the products or services described below.**

**Title:** 7-06080225 Traffic Operations Direct Digital Control

**Description:** The Missouri Department of Transportation District 6, St. Louis has determined that only one known source can furnish the department with a Andover Continuum system engineering, equipment, programming and system support installation for the Traffic Management Center compatible with the existing Andover Continuum system already installed in the District 6 District Office. To our knowledge, Eagle Energy of Maryland Heights, Mo., is the only experienced vendor in the St. Louis area with pre-existing familiarity with the Andover Continuum system to provide installation and interface with the new and existing systems. This notice shall meet the single feasible source posting requirements for one calendar year and in association with the needs described. Purchases for items and installation may exceed \$25,000 individually and/ or cumulatively and may be made throughout the calendar year 2008 and expiring on December 31, 2008. This posting may be extended for up to two (2) additional one (1) year periods unless additional suppliers are identified upon the expiration of any single feasible source authorization period.

Issues with this purchase may be directed to Teresa (Terri) Mount at (314) 301-1431 or [teresa.mount@modot.mo.gov](mailto:teresa.mount@modot.mo.gov) until February 25, 2008.
